

## **Stump Grinding Equipment Operator**

Our company is currently seeking a skilled and experienced stump grinding equipment operator to join our team. As the equipment operator, you will be responsible for operating and maintaining our stump grinding machinery to ensure effective and efficient stump removal services for our clients.

### **Responsibilities:**

- Operate stump grinding equipment and other machinery in a safe and efficient manner
- Remove tree stumps from residential and commercial properties
- Inspect and maintain equipment to ensure proper functioning
- Load and transport equipment to and from job sites
- Communicate effectively with team members and clients
- Maintain a clean and organized work environment
- Adhere to safety protocols and company policies

### **Qualifications:**

- Minimum of 2 years of experience operating stump grinding equipment
- Knowledge of tree species and stump removal techniques
- Ability to operate and maintain equipment effectively
- Strong communication and interpersonal skills
- Ability to work in various weather conditions
- Valid driver's license with a clean driving record
- Ability to lift and move heavy equipment

This is a full-time position with competitive pay and benefits. If you meet the qualifications and are interested in joining our team, please submit your resume and cover letter for consideration.
